

The Cue Ball Syndrome Challenge

Here is a challenge to each and every member of the 10th Security Police Association.

January 01, 2009 will be the association's official third anniversary. If every member sends in \$10.00 for the 10th SPA/SFSq Fund by the end of 2008, the "Crazy Cajun" will have his head shaved smoother than a cue ball on a pool table.

To accomplish this we must raise a minimum of \$1,500.00 by year's end. I will provide photos of the event to prove this has been accomplished. January 01 can be a cold day for a bald head but the sacrifice will be worth the effort. So, who is up to the challenge. You have a target, one bald "Crazy Cajun" and \$1,500.00 in the 10th SPA/SFSq Fund. Get busy sending those donations!!

If we reach \$2,000.00, the mustache will also be shaved.

If we do not see \$1,500.00 by the end of 2008, the challenge will be off. The "Crazy Cajun" has the heart and head for this challenge. How about you?? Let's beautify America by having a bald "Crazy Cajun" to start 2009 and raising funds for our troops with the 10th Security Forces Squadron. It will be posted as well in the bank account information in the Announcements section of the Forum.

If successful, I would consider making it an annual event on the association's anniversary.

This challenge does not include the funds already in the 10th SPA/SFSq Fund. This is from start to \$1,500.00 or \$2,000.00 by the end of 2008.

I, Wayne "Crazy Cajun" Guidry, will start this challenge off with my own contribution of \$10.00 to be deposited on October 13, 2008 in the 10th SPA bank account.

Donations can be sent to the following:

Cue Ball Syndrome Challenge
c/o 10th Security Police Association
11287 Hamilton Drive
Folsom, Louisiana 70437-7511

If you are a yearly dues paying member, you are encouraged to send in your dues for 2009 as well. The funds for the challenge and dues will be accounted for separately to achieve the goals of the challenge.

I approve and endorse this challenge!!

Wayne "Crazy Cajun" Guidry
