10th SPA Annual Fund Raiser

Once again Wayne "Crazy Cajun" Guidry the 10th SPA's Secretary has placed his head and mustache on the chopping block for a good cause. Donations raised for the CBSC 2009 are applied to the 10th SPA/SFSq Fund. The Fund is designed to assist members of the 10th Security Forces Squadron, U. S. Air Force Academy in times of emergencies or need. This Fund has been a shining example of the "Big" hearts of the 10th SPA. So let's outshine the CBSC 2008 which raised \$1,000.00 for the 10th SPA/SFSq Fund. The "Crazy Cajun" got a Buzz Cut because the goal was not met. This time, let's go the distance and beyond.

For the CBSC 2009 the goals are a little bit higher than the previous year. To achieve the Cue Ball (Ball Headed Crazy Cajun) the goal is \$2,000.00. If the goal is exceeded and \$2,500.00 is raised, then the "Crazy Cajun's" mustache will be shaved off as well. Simple enough you would think. NO! We will make it better. The CBSC 2009 is being tied in with the 10th SPA's Third Reunion set for June 10-13, 2010 in San Antonio, Texas.

CBSC 2009 will be handled like a raffle this year. For every \$10.00 of a donation received, the member will receive a raffle ticket, i.e. \$20.00=2 tickets, \$50.00=5 tickets, \$100.00=10 tickets, etc.... If a member contributes a donation to the CBSC 2009 and attends the Third Reunion, that member will receive 3 extra tickets compliments of the 10th SPA to celebrate the Third Reunion. Now let's get into the fun portion.

There will be, count them, (10) ten prizes in this raffle. Before the prizes are mentioned, let's mention that the Drawing will be held on Thursday June 10, 2010. This is the opening of the Reunion with the drawing being held at the Welcoming Reception. Now that is the way to start a good party. But wait it gets better with the mention of the prizes.

In arranging the Reunion, the Reunion Committee has been granted some amenities from the Hosting Hotel, the Holiday Inn Riverwalk Hotel. These amenities are being tied into the CBSC 2009 Raffle as prizes. Are we getting there yet? Close!!

Is the anticipation level about the prizes at a high? I hope so.

Drawing Rules:

(1) To be fair to all participants, a member may only win one prize. Should a member's subsequent ticket(s) are drawn, the ticket will be laid to the side so as not to be back in the drawing bin. This process will continue until all ten prizes are awarded to ten individual members.

(2) The Hotel will be immediately informed of the upgrades to Executive Suite for the winning members.

(3) The association's Secretary will not be allowed to participate in the raffle so as to act as a monitor for the raffle.

(4) A person outside of the association will be selected to draw the winning tickets. This outside person may include Ms Debbie Zaeski, Hotel/Reunion Representative but is not limited

to.

And last but not least:

(5) While having fun is the order of the day, Belly Aching is not permitted for the raffle results.

As you have seen, the 10th SPA plans to have a great reunion with plenty of activities from start to finish. While we anticipate the good times ahead, let us not forget the active duty troops of the 10th Security Forces Squadron. They are now serving in the squadron we once called our own and still do. They are our family and family takes care of its own. We never know when an emergency or what other need may arise. By raising donations for the 10th SPA/SFSq Fund through the Cue Ball Syndrome Challenge 2009, the 10th SPA will be always ready to step in and lend a hand financially.

This is a face that only a mother could love!
