

The 10th Security Police Squadron was the “little unit that could” during the period of my tenure. The many awards and accolades received attest to the outstanding nature and capabilities of the men and women. They were the best in USAFE and 3rd Air Force twice within a two year period.

It was a distinct pleasure and honor to lead these warriors during the time of critical change in the overall USAFE mission. The men and women of the 10th Security Police Squadron did not hide or shirk from doing their part. They set up the standard for all USAFE Security Police Units and willingly and cheerfully stepped up to the many challenges of the 1991 to 1995 period.

It was a privilege to work along side them. They certainly made my job easier!
